First 30 days of Season 32

Announcements Chaoticlu Oct 2, 2023

Welcome to the Season of the Traveler! This season will come with interesting new features and experiences for Ambassadors to engage in the program, as we celebrate new events on our Discord server. Join our Discord server for the latest updates, but for now, let's take a look at what's going on inside the program and community:

Behind the scenes: Making of the Xbox Wireless Controller – Remix Special Edition

This September we hosted our very first event inside the Xbox Ambassadors Discord server, where we invited the Xbox team responsible for all of the Limited Edition and Special Edition Xbox Wireless Controllers to talk about the Making of the Xbox Wireless Controller – Remix Special Edition.

Ambassadors were able to learn more about why the controller was created, what went into the Remix Controller's design, production and release, and have their questions answered by the team live! If you want to learn more about the process of making the controller, be sure to visit our Quests Page.

Thank you to everyone who participated in our first event! And for those who were not able to attend, keep an eye on our Discord server, as we're looking to do more of these in the future. If you want to get more involved in these and other exclusive opportunities to connect with Team Xbox, visit the Xbox Ambassador Research Panel registration form and join the Xbox Ambassador Research Panel.

Discord emojis

Speaking of our Discord server, by popular request, we'll now be adding new custom Discord emojis to the server every Season. For the Season of the

Traveler, our first batch will feature our spacefaring friend, Space Cat! Come join us in the Lounge channel and let us know which one is your favorite so far. Not a member of our official Discord server yet? You can join here [link]

Living the XA Pledge Quests

Also new on our XA Discord server are our new quests for “Living the XA Pledge” that use Discord’s new Forum Channels feature. Here Ambassadors can join threaded conversations inside the living_the_xa_pledge Forum Channel to share thoughts about their gaming experiences, promote a safe gaming environment, and celebrate bringing the principles of the Xbox Ambassadors pledge to life. We’re also planning to spotlight some of the best responses inside future posts on our XA Blog. If you would like to be spotlighted, make sure to check your Quests page for what’s new and join the Discord Forums conversation to share your thoughts. We’ll have new topics weekly!

Gaming + Disability

In October, we’re celebrating the Gaming and Disability Community by spotlighting individual Ambassadors on our Xbox Ambassadors Blog and the Xbox Wire! Later this month, we’re excited to share stories from our community about how gaming has impacted the lives of those with disabilities. Remember to also check out our Quests page for more ways to celebrate the Gaming and Disability Community, and don’t forget about the Accessibility Explorer Path in Quests to learn how you can be an ally for accessibility in gaming.

XA meetup at the Microsoft Experience Center in London on October 13th

Back in March, a group of Xbox Ambassadors met up at the Microsoft Experience Centre in London for a community event with special guests, including Community Champions Eden0032 and Zenosos! It was a great time and we've now scheduled our next event.

Save the date for October 13th from 3pm to 6pm (local London time) as we'll be having an Xbox Ambassadors meetup at the Microsoft Experience Center in London, where Ambassadors will be celebrating the launch of Forza Motorsport!

No pre-registration or ticketing required, this event will just be an open-house style environment where interested folks can come by, play Forza (and log your best lap time!), and meet other Ambassadors and Xbox fans.

Countdown to Forza Motorsport

Thank you to everybody who participated in our Countdown to Starfield Launch Quests last Season! We had a lot of fun and there was (and still is) a lot of great Starfield talk in the server. For Season 32, we're excited to feature Forza Motorsport! Before and after Forza Motorsport's launch on October 10th, we'll have Quests focused on its accessibility and game features, news, tips, and discussions in our Discord sever. Make sure to check out our Quests on the XA website and keep checking back for new Forza Quests!

Get ready for Forza Motorsport

Get ready for the launch of Forza Motorsport on October 10th 2023 with these Quests about its accessibility features, game features, and more!
